STRATEGIC MASTERMIND

STEP 1:
WE'LL GET YOU
ON THE
SCHEDULE

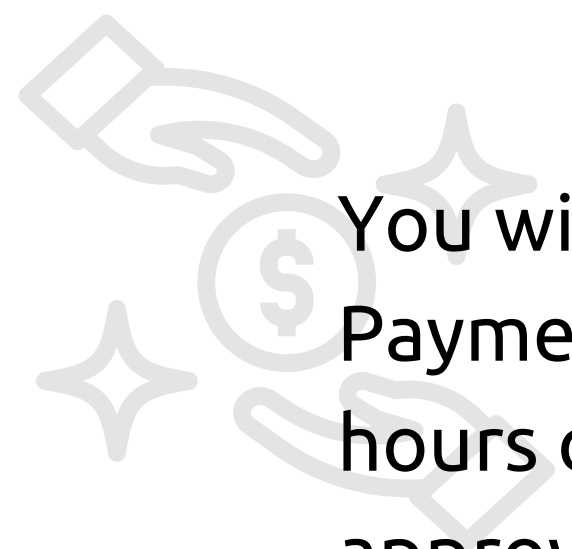

One of our Project Managers will reach out to schedule your Strategic Mastermind sessions shortly after approval. **Masterminds include 2 sessions which are approximately 90 minutes each.** We recommend at least one week in between for best results. Our Strategic Masterminds are held live at our offices in Southwest Florida. If you need to make virtual arrangements, please let the scheduler know.

STEP 2:
FILL OUT OUR
QUESTIONNAIRE

Next, You'll Fill Out Our Questionnaire
Once your sessions have been scheduled, you will receive a high-level questionnaire. It's important to take the time to thoughtfully answer each question to give our team as much background information ahead of time as possible.

STEP 3:
MAKE YOUR
PAYMENT

You will receive an invoice upon scheduling. Payment in full must be received within 24 hours of your first session. Because we approve a very limited number of applications per month, last-minute cancellations may result in cancellation fees of up to \$500.

FINAL STEP:
ATTEND YOUR
STRATEGIC

Now, all you have to do is show up, either by yourself or with up to 4 team members, and watch as the strategic sparks fly!

J. MICHAEL STRATEGIES

STRATEGIC MASTERMIND

WHAT YOU CAN EXPECT:

Session 1:

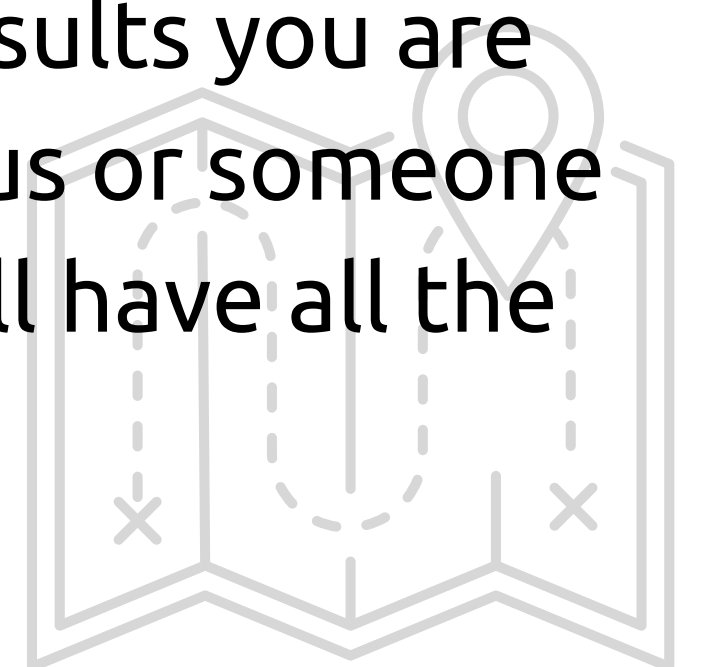

In this interview-style session, we learn more about you and understand your business in more depth. We start by evaluating your business, defining your goals, and then we work together to formulate new and innovative strategies to drive results. You are the navigator of this conversation, but we are the ones steering the ship. If at any point the conversation is going towards a strategy you have no interest in pursuing, tell us to stop.

IN BETWEEN SESSIONS: OUR TEAM MEETS TO STRATEGIZE AND COME UP WITH THE NEXT BEST STEPS

Session 2:

In this value-packed strategic session we help you uncover the first domino to fall to amplify your business. We talk about so much in our first meeting that this second Mastermind is all about coming back down to earth and understanding the best course of action to take for your business **today**. You will walk out of the meeting with a clear blueprint of what you need your business needs and what you need to do in order to achieve the results you are looking for. Whether you decide to work with us or someone else after your Mastermind is complete you will have all the direction you are looking for to see success.
